Media Opt-Out Form

Part 1: Media Participation

Throughout the _____ school year, Calvary Children's School (CCS) or Calvary UMC (CUMC) may want to share photographs or videotape of your student, pictures of his/her art or classwork, passages from your student's writings, or quotations from class discussions in brochures, or educational presentations. This includes images on our Web site, in our newsletters, or in the local media (newspapers, television, etc.). We carefully screen any requests from outside groups to ensure that student work and accomplishments are highlighted in an appropriate and responsible way. If you sign below, we will NOT include your child in these opportunities.

_____ I do NOT wish my student's picture, image, voice, writings, classwork, or art included in any of the ways described above during this school year.
